

MYOFASCIAL RELEASE TREATMENT SEMINARS DISCLOSURE POLICY

Prior to the start of any programs or presentations operated by Myofascial Release Treatment Seminars ("MFR"), if the instructor plans to mention any products or services which Myofascial Release Treatment Seminars has a proprietary or commercial interest in, the instructor is required to provide a handout or brochure indicating the commercial and/or proprietary interests of Myofascial Release Treatment Seminars. If any products such as books, DVD's, CD's, apparel, or recommended therapy products are used or mentioned during the seminar, the instructor is required to notify the participants if an economic or proprietary interest exists on the part of Myofascial Release Treatment Seminars. Additionally, if Myofascial Release Treatment Seminars does have a proprietary or economic interest in any products such as books, DVD's, CD's, apparel, it will be readily apparent from the packaging of the product that such interest exists.

As a part of such policy we make the following disclosures that MFR has a direct financial interest in the following materials/items that may be mentioned or discussed during the present seminar at hand:
