

MYOFASCIAL RELEASE TREATMENT SEMINARS ACCESSIBILITY POLICY

Myofascial Release Treatment Seminars is committed to excellence in serving all participants including people with disabilities. Myofascial Release Treatment Seminars strives to ensure that all individuals have equal access to its programs and prohibits discrimination against an individual on the basis of physical or mental disability in accessing or participating in its programs.

Service animals. Service animals are allowed at the seminars to the extent they are permitted by the owners of the location where the seminars are being conducted. We make every effort to conduct seminars at locations that are fully accessible to individuals with disabilities and their service animals.

Support persons. A person with a disability who is accompanied by a support person will be allowed to have that person accompany them to our seminars and there will be no extra cost for the support person.

While we do not provide or pay for interpreters at our seminars and/or our Treatment Centers, we do offer several accommodations that may be helpful to participants with hearing and/or visual impairments.
